Compact Notebook Case with a Trolley System

The "Mobile Business" of DICOTA is the perfect companion for business trips. A single grip and the Notebook case can be turned into a trolley. The lockable Notebook compartment is cushioned with High-Density Foam (HDF) and protects your Notebook perfectly. There is a main compartment with storage room for a folder and documents. Additional papers can be placed in the integrated, two-fold document compartments. The workstation in the front pocket creates order for cell phone, pens, business cards and more. Travel papers can be placed in an easy-to-access zipper-locked compartment. Power supply units and cables can be stored in the compartment specifically designed for this purpose. The easy-rolling wheels can be easily replaced.

The modern material mix, the glossy black interior padding as well as the high-quality zippers make the "Mobile Business" a real eye-catcher!
